

The Georgia Confederates Youth Camp Newsletter

January, 2021

The re-writing of history by the enemies of the Confederacy has been going on for over 150 years. Who will stand up for the truth? Will you send Campers in 2021?

The counselors and parents of campers at the GCYC are ready to do our "duty to see that the true history of the South is presented to future generations."

Thank You to all who were there in 2020.
